**Title:** Mathematics and Nature.  
**Speaker:** Dr. Ather Qayyum.  
**Date:** 9 January 2024.  
**Time:** 9.00 am to 11.00 am.  
**Venue:** MS Teams <https://shorturl.at/cdxUV>

**ABSTRACT**

Mathematics has always been a dilemma for Math students. It is important to know how Mathematics is practically involved in nature, different branches of knowledge and various fields of life. This presentation offers different examples to prove the involvement of Mathematics in nature and our daily life.

*All are Welcome*
